

The logo for AirPlus International, featuring the brand name in white serif font on a dark blue rectangular background.

AirPlus

INTERNATIONAL

A woman with long blonde hair, seen from behind, stands in an airport terminal. She is wearing a dark blue jacket and holding a small black card or document. In the background, several large electronic departure boards are visible, displaying flight information in bright orange and red lights. The boards are slightly out of focus, creating a sense of depth.

Business Travel Behavior During Corona Pandemic

Shares of different means of transportation
